DECORATIVE PLUMBING, INC.

We represent brands that define:

- Stylish and timeless design
- Enduring value to customers
- Constant innovation

Blanco

Since 1925, this family-owned company has been a world leader in quality, innovative design and unsurpassed attention to detail. Blanco offers the most extensive line of premium sinks and faucets in North America, including stainless steel sinks, Silgranit® sinks, kitchen faucets and sink accessories.

Hansgrohe

Founded in 1901, Hansgrohe is one of the world's largest suppliers of showerheads. The company has established a long heritage of combining fine design with groundbreaking technology to create products for the shower, kitchen and bath that offer superior features and versatility.

Mr. Steam

For over 50 years, informed architects, contractors and consumers have chosen Mr. Steam® as a premier source of upscale, high quality steam and specialty bath products, including towel warmers, shower speakers, shower seats, aromasteam and chromasteam systems.

Robern

Specializes in unique bath storage solutions, including a contemporary line of bath accessories and sconces. Robern has pioneered innovative personal vanity features such as interior electrical outlets, door mirror defoggers and cold storage.

Geberit

From a growing circle of leading manufacturers, Geberit is founder of the first concealed tank and carrier that fits in a 2x4 wall. Their carrier technology works reliably, operated by stylish actuators of various materials, colors and shapes.

Mti Whirlpools

Recognized for products of the highest quality and outstanding customer service, MTI offers an extensive range of products, with over 250 different models of tubs, shower bases, frameless shower enclosures, sinks, bath furniture and specialty products. Add to this a full complement of options and hydrotherapy choices, and it becomes evident why MTI alone enables you to completely “Design Your Experience”.

Linkasink

Produces some of the world’s most beautiful, functional sinks. All are handmade, individual works of art featuring unique designs and materials such as copper, marble, carved porcelain and cloisonné.

Strasser Woodenworks

Proudly built in America, these cabinets and other bath furnishings feature advanced integrated drawer-slide systems, hand finishing to enhance the beauty of natural wood and high-tech resins that make the finish nearly indestructible.
